

## **Surety Underwriter**

Western Surety Company requires a Surety Underwriter to join its dedicated, forward-thinking team of surety professionals involved in the specialized business of contract and commercial surety bonding throughout Canada. This head office position in Regina will be involved in the financial and technical underwriting process to pre-qualify businesses for the construction industry. Preference will be given to an individual who possesses:

- Previous surety or banking experience;
- Excellent relationship building skills;
- Superior verbal and written communication skills;
- A post-secondary degree in accounting or finance;
- Experience in a computerized environment, preferably Microsoft Office;
- The ability to succeed in a multitask and changing work environment;
- Strong problem solving skills; and
- Initiative, and interest to learn and the ability to work with minimal supervision.

Western Surety Company offers a competitive compensation package and industry standard employment benefits. Western Surety is a member of The Hill Companies, a privately owned and multi-faceted organization based in Regina.

If you are looking for a career in an exciting and rewarding industry and believe you are suited to meet the demands of this challenging position, please register your interest along with your resume and cover letter via email to [careers@westernsurety.ca](mailto:careers@westernsurety.ca).
